

# MATHEMATICS LESSON

## HALF VS WHOLE

Note: This lesson is designed to accompany a reading of the book "Big Hungry Bear" by Don & Audrey Wood Connection: At the end of the story, the little mouse cuts the strawberry in half and shares it with the reader. Yum! We are going to practice using the words "half" and "whole" when we see shapes!

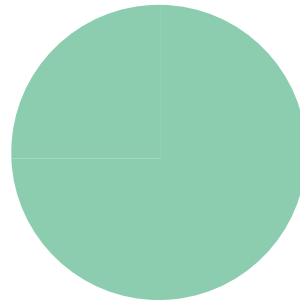

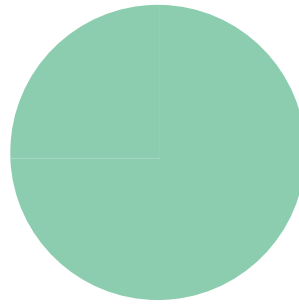

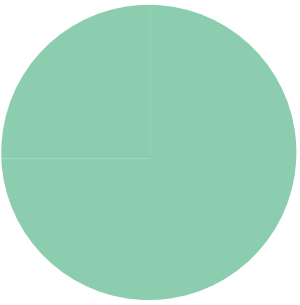

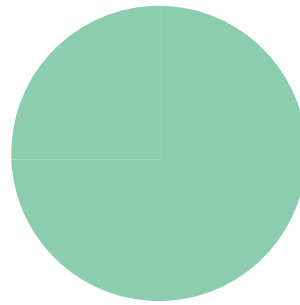

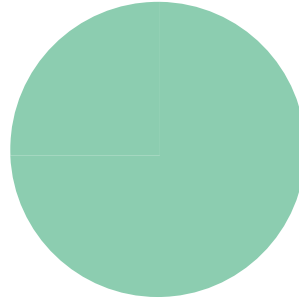

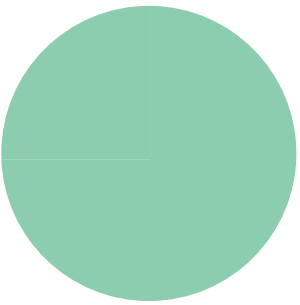

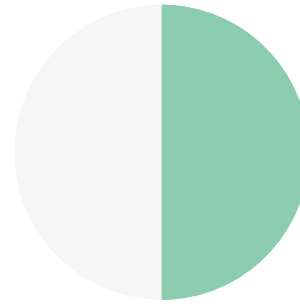

Objective: Identify a shape as "half" or "whole"

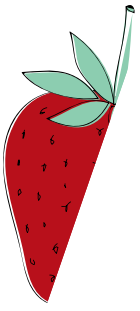

### **MATERIALS NEEDED:**

- Flashcards

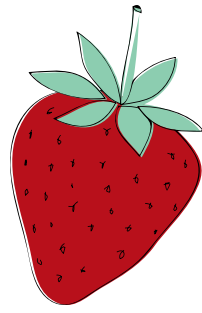

### **INSTRUCTIONS:**

1. Fan the cards out and let the child select a card.
2. Ask, "Half or Whole?"
3. After the child identifies the half or whole, have them place it under the half strawberry or the whole strawberry.

HALF

WHOLE
