OPINION WRITING

This lesson is designed to accompany a reading of the book "Guess How Much I Love You" by Sam McBratney
Connection: In this book, we read about a little rabbit who really loves his dad. We are going to write down all the things and people we love!

Objective: Write, Draw, or Dictate all the things you love!

Materials Needed:

- Large poster-sized heart
- Small hearts or sticky notes
- Writing/coloring utensils

Instructions:

Hang the large heart up and explain that you will be filling it up with all the things you love. Write down a few things you love (include a variety of things to encourage the same from the kids. Examples might include: Soccer, My Mom, Gabe, Pizza, Sunshine). Throughout the day, the week, or just all at once during a table rotation, have the child write or draw as many things as they can think of!
