

# Reading Lesson

## Sight Words & Letter Sounds

Play this sight word game after you read "Grouchy Ladybug". The child gets to be the ladybug as they "fly" around the room collecting and reading sight words or letter cards.

Objective: Give letter sounds OR read sight or CVC words. "Fly" like a ladybug to get a flashcard, then "fly" back and read it out loud!

### Materials Needed:

- Flash Cards
  - \*letter or words depending on what the child is currently working on.

### To Play:

Place the flashcards in a pile across the room. The child uses their arms as wings as they fly across the room to get a card, then fly back to read it.
