

# MATHEMATICS LESSON

## COUNTING & 1:1 CORRESPONDENCE

Just for fun: Do this activity after reading "Ribbit" by Rodrigo Folguiera. The little pink pig plants himself on a rock in a pond that is home to a family of frogs.

Objective: Draw a number and jump the frog the corresponding number of times.

### **MATERIALS NEEDED:**

- Frog jumper (toy or origami)
- Number cards

### **HOW TO PLAY:**

1. Draw a number card
2. Make your frog jump and count until you reach that number!
